

Nursery's Term 2 Best Bits!

This term, we have really enjoyed exploring our topic The Big Freeze, we have read 'Henry's Holiday' and loved making lots of arctic animals using a variety of materials! We made penguins using paper plates, polar bears using cardboard tubes, and polar bear cupcakes, we had so much fun making them, but even more fun eating them, they were delicious!

Speaking of polar bears, we were lucky enough to have a visit from our friend Peter the polar bear! We all loved having a cuddle with him, until he had to return to the North Pole!

In maths, we have practiced our counting, and we're getting so good at it! We really loved feeding our Santa minced pies and counting how many he had, he was very greedy!

With the help from our mummy's and daddy's, we have made the most amazing arctic creations for our Learning Together at Home, have a look, we're very proud of ourselves!
