

Term 2: Pre-school's Best Bits

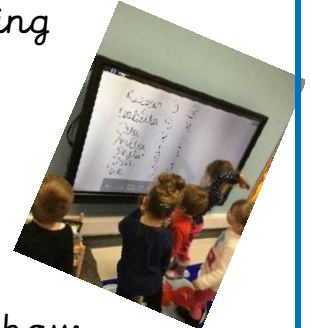

This term we have had great fun exploring our topic 'Woodland Wanders' and the treasure that Percy the park-keeper had left for us.

You would not believe it but Percy the Park-keeper left us a flyer which invited us on a treasure hunt. We had to follow the clues to find the treasure. Gold coins were buried in the vegetable patch.

This term we have continued to develop our counting skills. We had fun counting objects in the water. We even ordered the objects by size. Not only that but we had our very own bowling tournament.

We have been learning lots of new skills on how to move in different ways and sharing these in fun games with our friends. We learnt how to use the space hoppers and we even practised throwing the hoops onto the cones. We persevered to master these skills.

This term would not be complete without mentioning the confidence and efforts the children have shown to perform in their very own Around the World Concert. We are extremely proud of our achievements this term.
