

Reception's Term 2 Best Bits!

Wow! What a term, in Reception we have loved our topic, 'Polar Explorers'! We were able to learn about Polar bears, penguins, the Arctic and many more exciting facts about the colder climates of the world!

We kick started Term two with a trip to Vue Cinema Plymouth for Plymouth's film festival. We watched Fantastic Mr Fox and even enjoyed a sweet treat!

We absolutely loved visiting Living Coats, we were able to get up-close and personal with penguins, seals, otters and lots of fish! We all had a fabulous day and represented the school brilliantly on our first big trip in Reception!

In October, we enjoyed Outdoor Classroom Day. We all spent the day outside enjoying lots of outdoorsy activities. Toasting the marshmallows was definitely our favourite!

Finally, to end the term we were able to take part in our Christmas Nativity. We all sang beautifully and acted out the story of Jesus' birth. We also enjoyed getting into the festive season by learning about the true meaning of Christmas as well as creating some decorations, cards and yummy gingerbread!
