

Year 5 Term 2 Best Bits

Year 5 have had a wonderful Term 2! We have enjoyed fantastic learning, trips and activities.

In our English learning, we found out about The Highwayman poem and acted out being Highwaymen and travellers in the playground using shiny, golden chocolate coins. We all had smiles on our faces as we collaborated to keep our treasure.

Our favourite trip this term was to We the Curious where we were able to put bubbles over our heads! We were also interactive by presenting a weather forecast against a green screen, taking part in shadow and light experiments, becoming frustrated with an impossible rope puzzle, powering a human water wheel and watching a 3D planetarium

show!

Our class have been really lucky to enjoy a fun packed outdoor classroom day, a trip the cinema, an interesting and informative visit from a Muslim speaker and a dance-filled assembly from Pudsey Bear!

In Topic, we linked our ICT skills to create algorithms to guide aliens around a maze - we needed to persevere and debug our ideas but made it! We linked our learning to the real life news about the Insight Rover landing on Mars. We

created our own picture book based on the Curiosity Rover version, which we are looking forward to sharing with Reception. We were able to use our great sense of humour to create tweets for a Rover on Mars. E.g. "Feeling hungry, send a takeaway #mighttakeawhile!"

Year 5 are really looking forward to Term 3!
