

Year 6 Best Bits Blog - Term 2

Hey, it's Year 6 here again for another edition of our famous 'Best Bits Blog!' You won't believe it, but we've been up to even more amazing learning during Term 2! Keep on reading to have your mind blown (not literally).

In English this term we have enjoyed two units of learning: Mythical Creatures and A Christmas Carol. Our class was torn 50:50 when trying to decide which of the two units our favourite were. (Miss Bartlett preferred A Christmas Carol as she is Christmas Crazy!) Have you ever seen a real-life dragon eye model? Well look no further as 6OB spent the first half of Term 2 making some show-stopping dragon eye's to launch our Mythical Creature learning. After writing our very own books (that's right - we're authors), we shared them with Year 4, who were really impressed. Macie-Rae said that she even thought our books were better than the ones in her class library.

There was a real special moment for the 6OB family during our Christmas Carol writing, when Liam's learning featured on our 'WOW' wall. Not once. Not twice, but five times! Dammmmmnn!

As we discussed in last terms post, kindness is really important to us in 6OB. As promised we have continued to be kind, always: we supported the reception children during outdoor classroom day; welcomed

supply teachers into our class with open arms; celebrated Christmas with the local senior citizens and best of all, made some generous donations to the 'Plymouth Homeless Shoebox Appeal 2018'.

This term much of what we have done has allowed for us to realise how truly lucky we are to be part of the ECS family!

Checking out for now guys. See you in Term 3!

Merry Christmas
