Headteacher: Mr A Meredith

Friday 15th February 2019

Dear Parents/Carers,

For our topic next term, we will be continuing to learn about 'Inventions that Changed the World'. In History, we will be focusing on I K Brunel who was the engineer behind the Royal Albert Bridge. We are also planning a visit to see the bridge by crossing the Tamar Bridge by foot. Once we reach Saltash we will also climb down the hill to get a unique perspective of the bridge built in 1859.

In Design Technology we will continue to learn the skills needed to design a build a bridge. By the end of the term we hope your child will have applied their skills to their own model bridge!

In Science, we will learn about light and shadows. We will look at how light travels and how shadows are formed through investigations and research.

In English, children will be exploring the fairytale Hansel and Gretel. They will be selecting one of the children and will be rewriting the fairytale from their perspective. In Music we are continuing to learn the recorder and in RE we will be exploring Judaism.

Homework books will be sent home each Friday and children are expected to complete **one** piece of homework each week. Please continue to listen to your child read at least **three times** a week and help them to learn their weekly spellings.

Finally, your child will take part in weekly PE lessons and therefore their PE kits will be required to be in school at all times.

3CP PE – Thursday

3TJ PE - Thursday

Please do not hesitate to get in touch with one of the team should you have any questions. Thank you for your continued support.

Have a lovely half term break.

Yours sincerely,

Mrs Parry

Mr Jeffery
