

## Year 4 - Term 3 Best Bits

Wow! What an amazing start to 2019 in Year 4! We have started our topic 'Temples, Tombs and Treasures' which is based around Ancient Egypt. We have thoroughly enjoyed finding out about lots of new facts and interpreting this into our writing.

We were also lucky enough to receive a loan box from The Royal Cornwall Museum and we were fascinated by the artefacts that were over 4000 years old!

Towards the end of term, we visited St Andrew's Church to deepen our knowledge of Christian worship. We also learnt how World War 2 influenced the structure of the church today.

In PE, we choreographed our own Egyptian dance and used music to help us tell a story. We worked in small groups, to create pyramids and used different movements to transition through our routine.
