Headteacher: Mr A Meredith

Friday 15th February 2019

Dear Parents/Carers,

For our topic next term, we will be continuing to learn about ‘Temples, Tombs and Treasures’.

In History, we will be focusing on Tutankhamun and who discovered his tomb. In collaboration with The Royal Cornwall Museum, we will be receiving updates from the mummy ‘Iset Tayef Nakht’ to deepen our knowledge of life in Ancient Egypt.

In Science, we will continue to learn about states of matter through experiments such as making a rain cloud and observing evaporation on our own washing lines. We will investigate how temperature also affects this process.

In English, children will design their very own holiday destination leaflet by using persuasive techniques. In Maths, children will revise and develop the Visual Maths written and drawn methods for multiplication and division, focussing on applying these skills to word problems and investigations. We will also be revisiting Geometric Reasoning with a focus on real-life examples.

Homework books will be sent home each Friday and children are expected to complete **one** piece of homework each week. Please continue to listen to your child read at least **three times** a week and help them to learn their weekly spellings.

Finally, your child will take part in weekly PE lessons and therefore their PE kits will be required to be in school at all times.

4CC PE – Wednesday

4SJ PE - Wednesday

Please do not hesitate to get in touch with one of the team should you have any questions. Thank you for your continued support.

Have a lovely half term break.

Yours sincerely,

Miss Castell

Miss Jewell
