

Nursery's Term 4 Best Bits!

We have had such a lovely term, learning all about our Farmyard Friends! We have read the book *Farmyard Hullabaloo* and have enjoyed talking about all the different animals we might find on the farm.

We have loved learning with small world farm scenes and the farmyard masks! We have used them to support our pretend play. We are amazing at our animal sounds now!

We loved our visit from Yang the chicken and were even able to feed her. We had to make sure that we were very careful with her!

In maths, we have been practicing our counting, and even went on an Easter egg hunt and counted how many we found. We had lots!
