

Term 4: Pre-school's Best Bits

'Once upon a Time' has been such a magical experience. This term we enjoyed learning and re-telling a different traditional tale every week.

We are now confident in acting out and re-telling the Three Little Pigs Story. We made our own houses out of straw, wood and bricks.

Did you know that the Gingerbread Man ran as fast as he could? Do you know who caught him? Well we do! We were able to use a range of tools skilfully to make our own Gingerbread People.

Guess what we discovered in the woods! The Three Bears House but unfortunately someone had got there before us. They had left a real mess. Through our learning of the story we were able to put the Three Bears things into size order.

Did you ever hear or see the giant that we had in our class? We discovered a beanstalk growing in the classroom. This encouraged us to grow our own beanstalks. Now, we know how a seed grows.
