

Year 1 Term 4 Best Bits!

We went to Pennywell Farm! We loved feeding and cuddling the animals. They were SO cute.

Meet Buddy! In Term 4 we got a Year 1 pet, Buddy the Tortoise. We have learnt how to keep him safe by cleaning and feeding him.

For World Book Day we travelled the world, visiting each of the 7 continents. We took part in lots of fun activities. We really liked carrying buckets of water on our heads even though they were SUPER heavy!

We had Mother's Day Tea with our mums and really enjoyed spending some time with them in school!
