

Year 2's Term 4 Best Bits!

Our topic has been 'How are you?' and we've learnt about how to be healthy.

We've been learning about where different fruits come from and had a go on the Bike Blitzer to make your own healthy smoothie with Ryan from Bike It!

CaterEd set up a teaching kitchen in the hall so that we could learn how to safely prepare fruit and vegetables. We carefully chopped all the vegetables and they were made into a yummy soup!

We also used healthy toppings to make delicious pizzas.

For World Book Day we travelled across the seven continents of the world and took part in a range of exciting activities across the school!

In English we have been writing our own narrative stories. We were lucky enough to share them with David Litchfield, the author of 'The Bear and the Piano'!

We were also really excited that local author Emily Thuysbaert came to read her book 'My Incredible Adventures in Looe'.

As part of our learning about the importance of human hygiene and having a balanced diet we visited Nando's.

During British Science Week we had lots of great visitors and we had a go at lots of fantastic experiments.
