## Term 5 Curriculum Letter

|   |   |   |
|---|---|---|
| <p><u>Terms 1 and 2</u><br/>Fantastic Fairgrounds</p>  | <p><u>Term 3 and 4</u><br/>War Heroes</p>  | <p><u>Term 5 and 6</u><br/>Going Global</p>  |
|---|---|---|

Next term, Year 6 will be following a unit of work that focuses on 'Going Global'. At a time when transport and communication can connect the world in more ways than ever before, what we buy and what we consume can have a profound impact on the lives and societies of people.

In Geography, we will be learning about trade between the U.K and other countries. In History, we will be finding out about how people used to trade in the past. Within this topic, the children will be provided with the exciting opportunity to create and market their own global brand. This will include pitching their idea to local business owners and selling their product at the Summer Fair – Ernesettle Community School's very own 'The Apprentice'. In addition to this, there will be some very exciting visitors as well as a visit to a local beach to tackle pollution! Keep your eyes peeled for more information.

Homework expectations include reading at least three times a week and completing a weekly spelling sheet. In addition, children will need to complete **one piece of English and one piece of Maths** homework per week, which should be handed in every Thursday. We would like to take the opportunity to thank all of the Parents/Carers who continue to support their child's learning at home, it really helps them to make even better progress.

To support learning at home your children will have login details for **Times Tables Rockstars**. This website will allow children to access Maths skills we are learning in school.

Next terms family home work is to develop a 'Plastic Free Project' or complete country research using ! Be as creative as you can and don't forget there is a £20 Smyth's' gift voucher up for grabs! Please see overleaf for some ideas.

As we move closer to the Key Stage 2 assessments in May, thank you in advance for ensuring excellent attendance; every day really does count, so 100% attendance is vital please. The dates of the Key Stage 2 Assessments are 13<sup>th</sup>-16<sup>th</sup> May 2019, all children will need to be in school by 8:15am during this week please.

PE next term will be on a Tuesday for all Year 6 pupils. Please ensure your child has their P.E. kit and water bottle in school on these days.
