

Year 1's Term 5 Best Bits

We climbed all 93 steps to the top of Smeaton's Tower and then back down again. We were so brave and faced our fears!

To launch our topic 'Hooray... Let's go on Holiday!' we travelled to India! We ate traditional food, learnt a Bollywood dance and visited the Taj Mahal.

In PE we learnt how to play football rounders. Both classes were very competitive, and we really enjoyed it!

This term we took great care of our pet tortoise Buddy! We have loved giving him warm baths to keep him clean.
