Headteacher: Mr A Meredith

Friday 24<sup>th</sup> May 2019

Dear Parents/Carers,

For our topic next term, we will be continuing to learn about 'Save the Planet'. We have completed two of our six Beach School sessions and have made a great start to our outdoor learning experiences. Please do ensure your child attends with appropriate sun hat, sun cream and sun glasses as we are out on the beach all day. There will be regular reminders to apply sun cream but we also recommend you apply it to your child before the day begins.

In Science, we will be continuing to investigate plants with a particular focus on how water is transported through the roots. We will also carry out field work where the children will have the opportunity to classify bugs and minibeasts.

In English we will explore the issues of sea debris in the beautifully illustrated, Flotsam by David Wiesner. We will also lighten the mood with reading and performing various nonsense poems.

Homework books will be sent home each Friday and children are expected to complete one piece of homework each week. Please continue to listen to your child read at least three times a week and help them to learn their weekly spellings.

Finally, your child will take part in weekly PE lessons. The focus for next term will be Tennis and Athletics so therefore please ensure their PE kits are in school at all times. This is to include trainers, hat, water bottle as lessons will be taking place outside in the summer term.

3TJ – Thursday

3CP – Thursday

Please do not hesitate to get in touch with one of the team should you have any questions. Thank you for your continued support.

Have a lovely half term break.

Yours sincerely,

Mrs Parry

Mr Jeffery
