Headteacher: Mr A Meredith

Friday 24<sup>th</sup> May 2019

Dear Parents/Carers,

For our topic next term, we will be continuing to learn about 'Bright Sparks'.

In Science, we will be creating our own telephones and investigating how sound travels. Wonder Workshops will also be visiting us to create 'Brush Monsters' using different kinds of circuits and junk modelling equipment. In Geography, we will explore and describe the main geographical features of the area immediately surrounding the school and make simple maps and plans of familiar locations.

In English we will develop our fiction writing skills through 'Harper and the Night Forest'. We will also spend time creating our own poems based on 'The Magic Box', which we will then perform to each other. In Maths, we will focus on money, fractions and statistics. We will also continue to develop our reasoning skills through this learning.

Homework books will be sent home each Friday and children are expected to complete **one** piece of homework each week. Please continue to listen to your child read at least **three times** a week and help them to learn their weekly spellings.

Finally, your child will take part in weekly PE lessons and therefore their PE kits will be required to be in school at all times. This is to include trainers, sun hat and a water bottle as lessons will be taking place outside in the summer term.

4CC – Tuesday

4SJ – Tuesday

Please do not hesitate to get in touch with one of the team should you have any questions. Thank you for your continued support.

Have a lovely half term break.

Yours sincerely,

Miss Castell

Miss Jewell
