

Year 1 Term 6 Best Bits!

This term we met real life donkeys! They were so soft and well behaved. We enjoyed learning how to take care of them.

Outdoor learning day was a blast! We really enjoyed making slime, roasting marshmallows, taking part in a range of sports and of course sliding down the water slide!

What a splashing day we had at Wembury Beach! We built sandcastles, splashing our feet in the sea, went rock pooling and made our own 'beach in a jar'. So much fun in the sun!

To end a super term and a brilliant year, we had a cooking experience with CATERed and made homemade fish and chips. Yummy yummy!
