

Year 2 Best Bits

Victorian times certainly was different!

What an amazing day we had at Morwellham Quay! We travelled back in time to the Victorian era; dressing up in Victorian clothing, exploring their houses and The George and Charlotte Mine. Going to school in

Commander.

To celebrate Sir Francis Drake's 450th wedding anniversary to Mary Newman, we visited St Beaudoux church. We met the Lord Mayor of Plymouth, made orange pomanders and Plymouth's Royal Navy

We met two donkeys called Simon and Paddy from the Donkey Sanctuary. We learnt about how to check animals are fit and healthy as well as being able to tell how they are feeling from looking at their ears!

Year 2 had a fantastic day at Plymouth Hoe this term. We explored the Hoe and the monuments and statues, looking for Sir Francis Drake. We then walked down to the Mayflower Museum, looking for places where a sea monster could be hiding! In the museum, we were blown away by a replica of the Mayflower.

Feeling brave, we explored our school grounds and found mysterious poo! On closer inspection, these poos were from dinosaurs. We explored what the dinosaurs could be through investigating what was in the poo to work out if it was a carnivore, herbivore or an omnivore.
