

Year 3 Term 6 Best Bits

Term Six has been an outdoorsy type of term filled with adventures in the woods and on the beach. We continued with Beach School where we learned to build a shelter, dam the stream, identify creatures in the rock pools and even squeezed in an ice lolly on the last week! We also learned about the impact of plastic pollution on our shores first hand as we participated in weekly beach cleans. We found all sorts of rubbish from fishing equipment to tiny nurdles - we all became eco-warriors!

The adventures outdoors continued with 'Forest, Fire and Fun'. During our after school hours event we became aware of fire safety as we had to start a fire from a flint and steel. We also collaborated as a team in tug-of-war and showed off our moves as we hurtled down the water slide! Miss Riseborough and Miss Castell even joined in the fun!

Most of us have created our first piece of sewing and have become much better at threading a needle. We designed an under-water creature or beach scene and then sewed it using running and back stitch. It could be quite tricky, especially when the stitches became tangled!

Sports Day concluded the year brilliantly. Our sprinting, throwing, football and target skills were put to the test on a lovely sunny afternoon. Thank you to all the parents and carers who came to support us, it was lots of fun!
