

## Year 4 Best Bits - Term 6

What a fantastic end to our year! To finalise our topic Bright Sparks, Bruce from Wonder Workshops came in to create Brush Monsters with us. We expanded our scientific knowledge of electrical circuits to help our Brush Monster move.

Forest, Fire and Fun was a great success! We participated in a range of activities including Tug-Of-War, Slip n Slide and Fire building. We even managed to cook our own sausages and roast a marshmallow!

Walk a mile has been good fun in the summer term. We have ensured that we model our ECS manners on each walk and enjoy spending time exercising and socialising with our peers.

Miss Jewell and Miss Castell would like to thank every member in Year 4 for an unforgettable year. Each and every one of you are going to go out in the world and do well but most importantly do good. Good luck in Year 5 superstars! We wish you all the best!
