

Term 6 Best Bits Blog!

While Term 6 has been very long, we have loved every bit of it! We have made the most of our last EVER term in ECS and although we are sad to leave, we are excited to go out into the world and do well, but more importantly go out into the world and do good!

We have been spoilt rotten throughout Term 6 with plenty of trips and visits! To celebrate all of the effort we put into our SATs tests, Mr Meredith paid for us all to go to Woodlands and spend the day trying out all of the different rides and going down the water slides more times than we could count! Later in the term, we finally received our SATs results...and we all did incredibly well, making our friends, family and teachers very proud!

Our teachers were very sneaky when they fooled us into thinking we had to do another test, when actually we were lucky enough to go on an open-top bus ride around Plymouth and then spend the morning playing games on the Hoe! In addition to this, we took

part in Junior Life Skills 2019, learning lots of valuable skills that will allow us to stay safe as we move into secondary school. Some of us were fortunate enough to go to London as well, seeing all of the famous sights and watching the West End production of 'The Lion King'!

Another highlight of Term 6 has been Aspirations Day where we showed the rest of the school our amazing ambitions! Finally, in our final few weeks of Year 6 we have wowed the rest of the school with our end-of-year performance of 'The

Lion King'! We wish we could perform it again and are very proud that it was described as 'the best performance of the past ten years' by Mr Meredith!

We are sorry that this will be our final best bits blog of Year 6 but we hope you have enjoyed reading about everything we have done this year!
