

Year 1's Term 1 Best Bits

What an exciting start we have had to Year 1! Our topic is 'Amazing Architecture' so we have looked at different materials and even designed houses for 'The Three Little Pigs'. We had a huff and puff test to see how strong our houses were but we are such super architects that they stood strong against the Big Bad Wolf!

In English this term we really enjoyed learning the story 'The Tiger Who Came to Tea'. We helped him make healthy food choices by writing a list of different tasty fruits and vegetables he could eat at his next tea party. We went on a trip to Tesco to buy the items on our list for the Tiger.

He was so happy that he invited us all to a healthy tea party. We had a brilliant time dancing to music and enjoying healthy snacks!

In maths this term we have been practising counting and ordering numbers to 100 and showed super enthusiasm. We have become secret agents working for Mr Number Bond to practise our number bonds to 10.

In science this term we have been looking at different materials and joining them together. We became super scientists and made our own ECS glue, testing it against PVA glue against our predictions.
