Dear Parents/Carers,

Term 2 Curriculum Letter

<p><u>Terms 1</u> Fantastic Fairgrounds</p> 	<p><u>Term 3 and 4</u> War Heroes</p> 	<p><u>Term 5 and 6</u> Going Global</p> 
---	---	---

What an amazing first term in Year 6! We visited the brilliant Goose Fair, raised over £200 for the Macmillan Cancer charity through our bag packing at Tesco, Transit Way and visited Waypoints care home to spend time getting to know many of the patients.

Next term, Year 6 will continue to follow the topic 'Fantastic Fairgrounds'. We will be taking everything we have learnt from our exciting trip to Goose Fair at the end of last term and apply it to our topic learning throughout this term! In science we will be looking at how fairground rides work, exploring electricity and circuits as well as the multitude of forces that act on us when we are experiencing various rides. With the help of some exciting visitors and using all of the skills we have learnt, we will build and make our own fully-functional mini fairground rides! We will use our artistic talents to create graphics for our rides and will continue composing captivating theme music for our creations. In RE, we will be exploring religious celebrations and will be visiting two local Christian churches.

Homework expectations include reading at least three times a week and completing a weekly spelling sheet. In addition, children will need to complete one piece of English and one piece of Maths homework per week, to be handed in every **Thursday**. We would like to take this opportunity to thank all of you who continue to support their child's learning at home, it really helps them to make even better progress. To further support learning at home your children have login details for Times Tables Rockstars. This website will allow children to access and consolidate the Maths skills we are learning in school. Don't forget that next term's family homework is to design your own fairground! PE this term will continue to be on a Thursday for both 6PK and 6RW. Please ensure your child has their PE kit and water bottle in school on these days.

Thank you for your continued support.

Mr Kumar, Mr Walters and the Y6 team.
