

Year 6 Term 1 - Best Bits Blog!

Hello and welcome to Year 6's best bits blog! We have been up to lots of great activities this term and can't wait to share our favourite parts with you.

In English, we learned all about 'Macbeth', written by the famous playwright William Shakespeare, and we really enjoyed learning about the three witches and describing them. We enjoyed our Macbeth Launch lesson because we got to make our own shields to re-enact the battle between Scotland and Norway! Kings Callum and Isaac fought it out to sit at the top table for the post-battle feast!

Another highlight of Term 1 was our trip to Goose Fair! We were fortunate enough to be given £5 to spend at the fair; we went on many rides and treated ourselves to some delicious treats! Mr Kumar was a lot braver this year, only screaming a little bit on 'Danger Zone'! (He still isn't as much of a scaredy cat as Mr Walters is, though!)

We had to save THE BEST BIT until last and what a wonder it was! In English, we were inspired by R.J Palacio's novel 'Wonder'. It taught us that "if we were given the choice between, being right and being kind, we should always choose kind." We spent a whole week spreading random acts of kindness and we have made a Year 6 promise that will continue to spread the kindness - always.
