Friday 20<sup>th</sup> December 2019

Dear Parents/Carers,

We would like to take this opportunity to say well done to all of our children for a fantastic first term in Nursery. We hope you have enjoyed seeing your little ones develop new skills during our topic 'The Big Freeze.' We are excited to inform you that their topic for Term 3 will be 'Commotion in the Ocean'. Each week the children will be taking part in different activities to support their learning of this Topic:

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Sand and Shell Art children create sand scenes with shells and coloured sand.	Super Starfish: children create bumpy starfish using cereal.	Soapy Sea Foam: children to explore filling and emptying the sea foam.	Jellyfish Sun Catchers: using different materials to explore light and colour.	Ocean Slime: children make slime and explore texture.	Handprint and Footprint Crafts: children create sea creatures using a printing technique.

This Topic will be taught through a series of circle time sessions, role-play opportunities, adult-led activities and appropriate resources which are made accessible during the children's Independent Learning Time sessions. These sessions are aimed to promote linking the children's learning alongside a strong sense of independence and child-initiated exploration.

Your child will take part in daily Phonics sessions which will begin with games and activities that develop their listening and attention skills. Last term we focussed on instrumental sounds and in term three we will be moving onto environmental sounds. Daily Maths sessions will also give your children focussed time to practise their number and shape skills through fun group activities.

Each week, the children will be given a 'Learning Together at Home activity' which will be sent home on a Friday and is due in on the following Friday. Although this activity is optional, we encourage you to support your child with their 'Home Learning' as this will help to support their learning in the classroom and contribute to their development. Please remember you can now upload photos of your 'Home Learning' and Home WOW moments to your child's Tapestry account. Don't forget to use #HomeLearning and #HomeWOW.

We hope you have a fantastic half term.

Thank you for your continued support.
