

## Reception's Term 2 Best Bits!

Wow! What a term, in Reception we have loved our topic, 'Polar Explorers'! We were able to learn about Polar bears, penguins, the Arctic and many more exciting facts about the colder climates of the world!

We were lucky to have Adam Price from Ernesettle Church come in and tell us all about why we celebrate Christmas! We listened very carefully to the Nativity story.

We absolutely loved visiting Living Coats, we were able to get up-close and personal with penguins, seals, otters and lots of fish! We all had a fabulous day and represented the school brilliantly on our first big trip in Reception!

As a treat, we made Gingerbread men biscuits and decorated them. We sat and ate them with a mug of hot chocolate to keep us warm due to the weather changing.

Finally, to end the term we were able to take part in our Christmas concert 'A Claus for Celebration'. We all sang beautifully. We also enjoyed getting into the festive season by making our Christmas cards and some decorations
