Dear Parents/Carers,

For Term 3, our Topic learning will focus on 'Temples, Tombs and Treasures'.

In History, we will explore the main events, dates and characteristics of Ancient Egypt, learning about the lives of people in those periods through the exploration of artefacts. In Art, we will focus on how Ancient Egyptian artists used forms, materials and processes to decorate their tombs, buildings and belongings, choosing the appropriate materials and techniques.

We are incredibly fortunate to be part of a Tackling Health programme run by Exeter Chiefs Rugby Team. Every Wednesday next term, professional trainers from this team will be completing an indoor workshop with us, discussing nutrition and why different food groups are so important. During our outdoor workshop, they will be teaching us alongside Miss Bruce and Miss Jewell the competitive game of rugby. With this opportunity, we may have some future sports stars in the making! **4SJ and 4HB will need their PE kits in school every Wednesday (please bring in extra weather appropriate clothing such as jumpers and tracksuit bottoms as we will be outdoors).**

In English, children will extend and apply their understanding of vocabulary, conjunctions, fronted adverbials and punctuation through Myths and Legends of Ancient Egypt, as well as creating a report based around Ancient Egypt. In Maths, children will continue to practise written and drawn methods for addition, subtraction and fractions, focussing on applying these skills to word problems and investigations.

Homework books will be sent home each Friday and children are expected to complete **one** piece of homework and their spellings each week. Please continue to listen to your child read at least **three times** a week and ensure that their reading record and book is bought it every single day.

Please do not hesitate to get in touch with one of the team should you have any questions. We wish you a very happy Christmas break.

Yours sincerely,  
Miss Jewell and Miss Bruce
