

## Year 6 Best Bits Blog - Term 2

Hello and welcome to the second instalment of our Best Bits Blog! It's been a busy term and we can't wait to share our favourite parts with you.

In English, we have enjoyed two exciting units of learning! First, we turned into David Attenborough-esque naturalists to write intriguing fact files about our own mythical creatures - we even created a dragon egg for our launch! After that, we got into the Christmas spirit by writing our own version of the Charles Dickens classic, 'A Christmas Carol'. The highlight was definitely being able to use our 'acts of kindness' to donate shoeboxes full of gifts to the homeless people of Plymouth!

Another highlight of Term 2 was our trip to the cinema to watch 'Wonder Park'; it was very exciting and linked nicely to our topic, 'Fantastic Fairgrounds'. A number of us in Year 6 had the opportunity to perform in front of the WHOLE school (and some parents too!)

when we took part in the Rocksteady Christmas performance. Although it was nerve-wracking, we made great rockstars!

To round off an amazing Term 2, we celebrated Christmas with the elderly at the Senior Citizen's Event and displayed our acting and singing talents during our Year 5/6 performance of 'A Very British Christmas'! We can't wait to come back in Term 3 and share more exciting stories with you!
