

## Nursery's Term 4 Best Bits!

What a fantastic term we have had in Nursery! We really enjoyed reading our topic book 'We're Going on a Bear Hunt,' and got so used to the rhyme, that we all joined in with the words and actions!

We have had lots of focus this term on looking at books and have enjoyed exploring the variety of books in our quiet areas!

We have enjoyed exploring lots of different activities for 'Bear Hunt' but our favourite had to be creating our very own binoculars and then using them on our Bear Hunt!

What a busy and amazing term we have had in Nursery. We hope you all enjoy your Easter break and are ready for lots more exciting learning next term!
