

## Term 4 in Reception

Wow! What a term we have had. We have been learning all about Pirates for our 'Ahoy M'Hearties' topic.

On the first day back, we were very excited to receive a treasure map and some clues to find Captain Blackbeard's treasure. We followed the clues carefully and solved the mystery of where Captain Blackbeard had been hiding.

In week 4, we had our very own Pirate Day! We all dressed as pirates, sang pirates songs, crafting pirate ships and completed many more exciting activities throughout our amazing day.

We were very lucky to have two police officers come and visit us. They told us how to stay safe and the importance of knowing our address. We also made thumbprint keyrings and got to try on their uniform too!

Throughout the term, we have also had a number of really exciting enrichment days such as World Book Day and Science Day, as well as being visited by an Olympic athlete! We have all had so much fun.
