Head of School: Mrs A Pearce

Friday 14th February 2020

Dear Parents/Carers,

For our topic next term, we will be continuing to learn about ‘Temples, Tombs and Treasures’.

In History, we will be focusing on Tutankhamun and who discovered his tomb. We will be having a very special guest visit us and complete activities to make us feel like real Egyptologists. In Science, we will continue to learn about states of matter through experiments such as making a rain cloud and observing if different types of chocolate have different melting points.

In English, children will design their very own holiday destination leaflet by using persuasive techniques. In Maths, children will revise and develop the Visual Maths written and drawn methods for multiplication and division, focussing on applying these skills to word problems and investigations. We will also be revisiting Geometric Reasoning with a focus on real-life examples.

Homework books will be sent home each Friday and children are expected to complete **one** piece of homework each week. Please continue to listen to your child read at least **three times** a week and ensure their reading book is brought in every day.

Finally, your child will take part in weekly PE lessons and therefore their PE kits will always be required to be in school.

4SJ PE – Wednesday

4HB PE - Wednesday

Please do not hesitate to get in touch with one of the team should you have any questions. Thank you for your continued support.

Have a lovely half term break.

Yours sincerely,

Miss Jewell and Miss Bruce
